To The Town of Ogunquit,

Please accept our sincere gratitude for the overwhelming generosity and effort put forth by The Town of Ogunquit for our Southern Maine AIDS Walk on Saturday, May 6th.

For 9 years, local businesses, residents and friends have donated their time and money to make the event a success. As our largest annual event, all funds raised go directly to programs that support people living with and affected by HIV/AIDS in Maine. Every year, we see new faces of enthusiastic participants joining us, in addition to our loyal supporters that stand with us year after year.

Every year we return from the weekend in awe of the love that has been shown, and the compassion that we share in support of those that need us. Equally impressive – it must be said – is the over 150 people that have come out in the cold, windy, rain to brave the weather, and join this fight.

To the Police and Fire Departments, Public Works, the Chamber of Commerce, over 20 Ogunquit business sponsors, and countless donors, please know you have our heartfelt appreciation. Your support directly impacts the lives of more than 400 fellow Mainers as well as their families.
